Market Basket Analysis

This Mini-Project is a team activity. The Mini-Project has been released in advance i.e. on June 21, 2025, to facilitate your preparation for the activity. Each team will work in a separate Zoom breakout room for this activity. Mentor's guidance will be available during the Mini-project activity (June 29 (09:00 am - 12:30 pm)).

This is a graded **Mini-Project (10 points)**. The Problem Statement, Objective, Background, Dataset, and Steps for implementation are provided within the MiniProject Notebook (Colab).

A supplementary Colab notebook has also been provided as **Reading Material** to aid you with the Mini-Project implementation. **Supporting material** on Association Analysis (shared by *Prof. Shashi Jain*) has also been provided. In the Supporting material, it is recommended to read up to (including) Section 6.2.2 and additionally, Section 6.3.

Note: The participants are required to start the mini-project on June 29, 2025 but it is not mandatory for them to finish their presentation on the same day. They can present the solution to the mini project to the mentor on July 06, 2025.

During the Mini-Project session, the mentor can be approached for guidance when there is difficulty in implementing specific steps. However, it is the team's responsibility to work towards the solution in the given time. Your team's solution notebook should be presented to the mentor, latest, between 11:30 am - 12:15 pm on June 29, 2025. The mentor will record the attendance of each team member and assign points to the team based on the final notebook. Each team member will receive

the same points as given to the team as a whole. Absent team members will not be awarded any points.
